

## Facilities

### Tool to Install Sheet Rock

A tool to use on top of an electric scissors lift holds and lifts sheet rock in place while it is being screwed in place. This innovation freed four people to work on other things, saving 480 labor hours and \$5,563 in salary dollars. For more information, please contact Ricky Mott at (352) 955-5806 or [Michael\\_Crockrell@dcf.state.fl.us](mailto:Michael_Crockrell@dcf.state.fl.us). 2007 APD-006

### Janitorial Services

Restructuring and outsourcing janitorial services saved the Department of Juvenile Justice's South Region \$29,300. For more information, please contact Lee Ann Thomas at (850) 414-2488 or [leeann.thomas@djj.state.fl.us](mailto:leeann.thomas@djj.state.fl.us). 2007 DJJ-001

### Energy Performance Contracting Program

Energy performance contracting is providing funding for low cost repairs and renovations (lighting, heating, air conditioning and plumbing) at eleven Department of Juvenile Justice facilities statewide. A \$6.1 million loan will be repaid from utility savings. For more information, please contact Russ Barber at (850) 922-6148 or [russ.barber@djj.state.fl.us](mailto:russ.barber@djj.state.fl.us). 2007 DJJ-002

### Pressure Cleaning Savings

Restructuring of bidding and contracting for pressure cleaning Florida Turnpike buildings saves more than \$1 million annually. For more information, please contact John Cerasari at (954) 934-1266 ext. 1266 or [john.cerasari@dot.state.fl.us](mailto:john.cerasari@dot.state.fl.us). 2007 DOT-009
