

Paperless Systems

Paperless Internal Audit Management System

The Department of Business and Professional Regulation's implementation of Department of Children and Families integrated audit management system was accomplished at no cost. This system allows for a paperless, fully integrated audit process that saves time and resources, with tangible and intangible cost savings already realized and expected to grow with time. For more information, please contact Ron Ferguson at (850) 414-6705 or Ron.Ferguson@dbpr.state.fl.us. 2007 DBPR-008

Document Imaging, Scanning, and Viewing

A document imaging, scanning, and viewing system automates storing, tracking, and retrieving case information. For more information, please contact David Brey at (850) 921-0059 or David_Brey@dcf.state.fl.us. 2007 DCF-096
