

LICENSING

Electronic License and Applications Manual

An electronic license and applications manual for LicenseEase software assists employees with a step-by-step description and graphics for transactions entered in the license and applications portion of LicenseEase. Interactive linking enables an examiner to follow any transaction from beginning to end without the need for additional training. Estimated added value is \$51,867. For more information, please contact Henry Evans at (850) 922-7609 or email Henry.Evans@dbpr.state.fl.us. 2006-DBPR-008

Protection from Unlicensed Individuals

A statewide outreach campaign to protect Floridians from the hazards of unlicensed contractors may be adaptable to other state licensing programs. For more information, please contact Mark Reddinger at (850) 922-5420 or email mark.reddinger@dbpr.state.fl.us. 2006-DBPR-016
