STATEMENT BY DOMINIC M. CALABRO ON DELAY OF SPECIAL SESSION ON BUDGET SHORTFALL

“We compliment Senate President Pruitt and House Speaker Rubio on their call to delay, but not neglect, a special session of the Florida Legislature until they have a consensus framework to make good use of the Legislature’s time and the taxpayers’ dollars.

Toward that end, Florida TaxWatch will be presenting two reports on cost savings and budget efficiencies to help the Legislature during the special session. The sooner the Legislature leadership can establish a consensus for action, the less severe the impact of cuts will be over the next fiscal year.”
